Mr. David C. Schutter,

Now that all the details of my settlement from my accident have been resolved (Kessing vs. National Concrete) I thought that I would write and thank you and your associates for all that you have done for me. I would especially like to thank you for having Michael I. Stern handle my case. He made an otherwise miserable experience as pleasant as possible. Mr. Stern always kept me informed of my options, and provided me with excellent advice, and his skills as my attorney resulted in a very fair settlement.

In addition, Mr. Stern is simply a nice friendly person and his manner really helped smooth worries that, I am sure, always make this whole process more difficult than it has to be. Merry Christmas to you and your associates.

Aloha,

Bailey D. Kessing
