Good Work!

JAM

To: The Partners of Powell Orr and Bredice

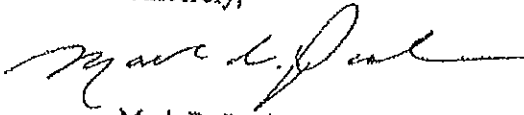

I am writing this letter in praise of Michael Stern, who managed my personal injury case. My wife and I were very pleased with the financial outcome and the way our case was handled.

Communication with Michael was excellent. He called me regularly with updates, and, in the last few weeks of my case, as a settlement was close to being reached, Michael called me daily.

I always felt confident that Michael was making my case a priority and that he was doing the best he could to reach a quick settlement with the maximum award. In retrospect, I would say Michael made all the right moves.

I will definitely recommend Michael to anyone I know who needs a personal injury lawyer. It was a pleasure working with him.

Sincerely,

Mark R. Paul
